Home Loan Eligibility and Age Guidelines

DEMO / SYNTHETIC DATASET for the DSA Loan Platform RAG project. These documents are for application testing and are not official bank policy documents. CIBIL-to-ROI and insurance percentages are configurable demo values.

1. Age and Tenure

- Maximum product tenure for this demo: 30 years.
- Maximum age at loan maturity: 65 years.
- Final tenure = minimum of preferred tenure, product maximum tenure and age-based maximum tenure.
- Minimum tenure is configurable.

2. FOIR

- Above 65% -> reject.
- 50% to 65% -> reduce maximum eligible amount.
- 50% or below -> normal calculation.

3. CIBIL and Income

- Minimum CIBIL is configurable.
- Minimum income is configurable.
- Employment/income stability should be checked.
