DEMO / SYNTHETIC DATASET for the DSA Loan Platform RAG project. These documents are for application testing and are not official bank policy documents. CIBIL-to-ROI and insurance percentages are configurable demo values.

1. Processing Fees

- 0.5% of loan amount + applicable taxes; legal, technical and other service charges may apply.

2. Other Fees

- Legal/technical valuation
- Documentation
- CERSAI
- Stamp duty/registration
- Mortgage creation/cancellation
- Statement/certificate
- Document retrieval

3. EMI Default

- Delayed EMI, bounce and other penal/service charges as per configured schedule.

4. Foreclosure / Prepayment

- Nil for home loan with adjustable/floating rate; fixed-rate prepayment may attract charges as per configured policy.

5. Repayment / EMI

- EMI is based on loan amount, ROI and tenure.
- Floating-rate changes can affect EMI or tenure.
- Pre-EMI may apply during staged disbursement.
