Home Loan Interest Rate and CIBIL Matrix

DEMO / SYNTHETIC DATASET for the DSA Loan Platform RAG project. These documents are for application testing and are not official bank policy documents. CIBIL-to-ROI and insurance percentages are configurable demo values.

1. CIBIL Based ROI

- ROI varies according to CIBIL score and customer profile.

CIBIL Score	Demo ROI
800+	8.00%
750-799	8.25%
700-749	8.75%
650-699	9.50%
Below 650	Case-by-case / may be declined

- Other factors: loan amount, tenure, income/employment profile, property type/value and credit history.
