Home Loan Product Policy

DEMO / SYNTHETIC DATASET for the DSA Loan Platform RAG project. These documents are for application testing and are not official bank policy documents. CIBIL-to-ROI and insurance percentages are configurable demo values.

1. Loan Purpose

- Purchase
- Construction
- Plot + Construction
- Renovation
- Balance Transfer

2. Loan Amount and Tenure

- Minimum and maximum loan amount should be configured.
- Maximum product tenure for this demo: 30 years.
- Maximum age at loan maturity: 65 years.
- Final tenure is the minimum of preferred tenure, product maximum tenure and age-based maximum tenure.

3. Basic Rules

- Demo maximum 75%-90% depending on property/loan slab and lender assessment.
- ROI varies by CIBIL score and customer profile.

4. Female Co-applicant

- 0.50% interest-rate rebate can be applied in our demo configuration.
