

Axis Bank

Home Loan Product Policy

DEMO / SYNTHETIC DATASET for the DSA Loan Platform RAG project. These documents are for application testing and are not official bank policy documents. CIBIL-to-ROI and insurance percentages are configurable demo values.

1. Loan Purpose

- ? Purchase
- ? Construction
- ? Plot + Construction
- ? Renovation
- ? Balance Transfer

2. Loan Amount and Tenure

- ? Minimum and maximum loan amount should be configured.
- ? Maximum product tenure for this demo: 30 years.
- ? Maximum age at loan maturity: 60 years.
- ? Final tenure is the minimum of preferred tenure, product maximum tenure and age-based maximum tenure.

3. Basic Rules

- ? Demo 75%-90% depending on loan/property slab and applicable limits.
- ? ROI varies by CIBIL score and customer profile.

4. Female Co-applicant

- ? There is no provision for interest-rate concession or rebate for female / woman co-applicants. Axis Bank applies uniform standard interest rates across all applications without special discounts for female co-applicants.
